The Brockton Triathlon will be held on Sept 21. Those planning to help in Communications support should meet at D W Field Park at 8:00 AM

New Business:

We have been asked to support the Lakeville Triathlon, date and time TBA  
Holbrook Public Safety Day is Sept 13.

Local weather reported today included large hail in Marion, microburst in Bridgewater and a possible tornado in Acushnet.

Skywarn is setting up a recertification training program.

The Whitman club Flea Market is Sunday & Monday of Labor Day weekend  
At Sattler's on Rte 18 in Whitman.

Carl N1FY will have additional items from the Estate of an SK at the Sept Meeting.

Respectfully submitted,  
Pete, N1NVV

## Notes From The Field

The **next MARA meeting** will be held on **September 16, 2008** at the **EOC**.

**Net operators are needed** for the Tuesday & Saturday night nets. If you are interested please contact Carl N1FY.

In order to know what the members would like to see and not see in the newsletter I need your comments-good or bad. I have set up an e-mail address just for handling the newsletter. I would appreciate articles, pictures, comments, stories, club histories – things that might interest the members. The email address is [MARANews@hotmail.com](mailto:MARANews@hotmail.com).  
**Pete N1NVV**

## September Radio Support Events

The following are the events scheduled for the month of September. If you can help out with any or all, it would be greatly appreciated. These can all be viewed as training sessions for net control issues. Please pass this schedule on to others not on this list:

September 21 Brockton Triathlon at DW Field Park <<http://www.dwfriathlon.org>> - we will meet at the Oak St. entrance at 7:30 for assignments

September 28 South Middleboro YMCA Marathon at Camp Yomechas on Rte 28. We will meet at the Dunkin Donuts at the junction of Rtes 105 & 28 between 8:00am and 8:30am for assignments.

Thanks to all.  
Carl, N1FY

## PocketMod

Absolutely brilliant tool! Pocketmod takes up to 8 full size pages, turns them into a single sheet of paper, which folds into a pocket sized booklet. <<http://www.pocketmod.com>> A pencil power PDA. Better than writing on the back of your hand.

FEMA courses IS-100, 200, 700 and 800, are available at <<http://training.fema.gov/emiweb/IS/crslist.asp>>. ARES and RACES members should be familiar with the ICS and NIMS environments.

## **Simulated Emergency Test October 4-5**

The venerable ARRL Simulated Emergency Test (SET) is slated for October 4-5 this year, although ARES groups are free to conduct their exercises anytime between September and December for convenience. All can participate. The exercise is not limited to ARES, but also RACES, NTS, SKYWARN, SATERN, and other groups.

## **Change in Vanity Call Sign Fees**

FCC Vanity Call Sign Fees to Increase September 25: The FCC will increase the vanity call sign fee from \$11.70 to \$12.30, effective September 25, 2008.

## **ARRL Presents New Membership Benefit**

With just a mouse click or two, ARRL members can now access the online QST magazine archive <<http://www.arrl.org/members-only/gqnsearch.html>>. This new benefit -- a service of the ARRL Technical Information Service (TIS) <<http://www.arrl.org/tis/>> -- provides PDF copies of all QST articles from December 1915 through December 2004, enabling members to view and print their favorite article, project and more. For many years, the TIS has provided members with assistance researching ARRL periodicals and publications, as well as providing members and non-members with article reprints for a small fee. Access to the new online digital QST archive is free for ARRL members, and is for their personal use only -- material in the archive may not be freely distributed or copied.

## **2008 Field Day Logs posted online**

All 2008 Field Day logs that have been received have been posted to the Claimed Scores page <<http://www.arrl.org/contests/claimed>> on the ARRL Web site. They reflect all applications sent from the b4h.net Web applet <<http://b4h.net/cabforms/>>, as well as those received via the US Postal Service and usable electronic submissions sent via regular e-mail (non-Web applet submissions).
